

§ 255.5

14 CFR Ch. II (1–1–03 Edition)

§ 255.5 Defaults and service enhancements.

(a) In the event that a system offers a service enhancement to a system owner or other participating carrier, it shall offer the enhancement to all participating carriers on nondiscriminatory terms, except to the extent that such service enhancement is still in the development stage or that participation is not immediately feasible for technical reasons, in which event the system shall make it available to all participating carriers as soon as possible.

(b) After October 1, 1993, no system may create or maintain a default in any system feature that automatically prefers one or more system owners over other participating carriers.

§ 255.6 Contracts with participating carriers.

(a) No system may discriminate among participating carriers in the fees for participation in its system, or for system-related services. Differing fees to participating carriers for the same or similar levels of service shall be presumed to be discriminatory.

(b) No system may condition participation in its system on the purchase or sale of any other goods or services.

(c) Notwithstanding paragraph (b) of this section, a system may condition participation in its system in the United States on a participating carrier's agreement to participate in the system or affiliated systems in other countries, if the system and such affiliates agree that:

(1) The display of services in such system and its affiliates will not use any factors related to carrier identity and

(2) Any fees charged the carrier shall not be discriminatory.

(d) A system shall provide upon request to carriers current information on its fee levels and fee arrangements with other participating carriers. A system's bill to a participating carrier for any fee must contain adequate information and be on magnetic media so that the participating carrier can determine whether the bill is accurate. At a minimum, booking fee bills must include the following information for each segment: PNR record locator

number, passenger name, booking status, agency ARC number, pseudo-city code, CRS transaction date, city-pair information, flight number, flight date, class of service, and type of CRS booking.

(e) No system may require a carrier (other than a carrier that owns or markets, or is an affiliate of a person that owns or markets, a foreign or domestic computerized reservations system) to maintain any particular level of participation or buy any enhancements in its system on the basis of participation levels or enhancements selected by that carrier in any other foreign or domestic computerized reservations system. A system may not compel a carrier that owns or markets, or is an affiliate of a person that owns or markets, a foreign or domestic computerized reservations system, to maintain a particular level of participation or buy an enhancements in its system on the basis of participation levels or enhancements selected by that carrier in another foreign or domestic computerized reservations system, until 14 days after it has given the Department and such carrier written notice of its intent to take such action.

§ 255.7 System owner participation in other systems.

(a) Each system owner shall participate in each other system and each of its enhancements (to the extent that such owner participates in such an enhancement in its own system) if the other system offers commercially reasonable terms for such participation. Fees shall be presumed commercially reasonable if:

(1) They do not exceed the fees charged by the system of such system owner in the United States or

(2) They do not exceed the fees being paid by such system owner to another system in the United States.

(b) Each system owner shall provide complete, timely, and accurate information on its airline schedules, fares, and seat availability to each other system in which it participates on the same basis and at the same time that it provides such information to the system that it owns, controls, markets, or
